THE 1937 TEL-BUCH

PUBLISHED BY THE STUDENTS
OF THE UNIVERSITY OF AKRON

AKRON, OHIO

FOREWORD

TO PRESENT, in permanent form, the activities of 1936-'37, has been our purpose in editing this book. If, in later years, the Tel-Buch brings memories of the joys and happiness you have shared at the University of Akron, we have achieved our purpose.

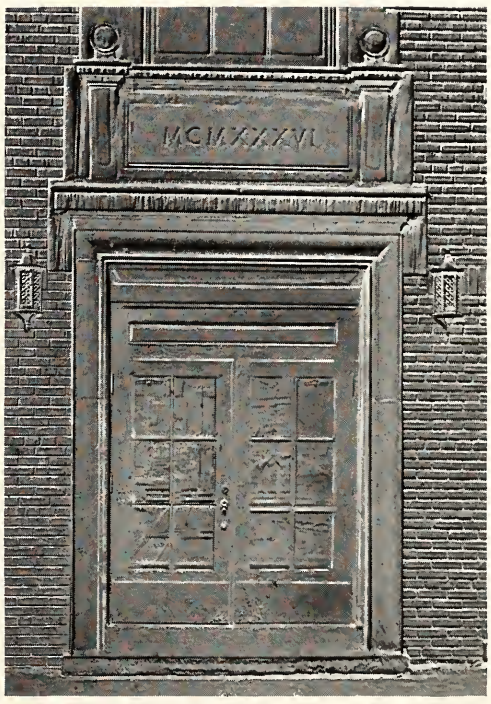
DEDICATION

To Miss Marjorie Mitchell who, since 1923, has been an interesting and capable teacher, an understanding adviser and confidante to the women of the University, and a friend to all—students and faculty, we dedicate this book.

THE NEW ENGINEERING BUILDING



John Wortman, on behalf of the Alumni Association, which he heads, hands President Hezzleton E. Simmons the $65,000 check representing the sponsor's share of the cost of the new engineering building.

THE NEW ENGINEERING BUILDING

It was Friday the thirteenth—but it was one of the luckiest days in the history of the University of Akron.

On Friday, December 13, 1935, the Works Progress Administration notified President Hezzleton E. Simmons that the Federal government would supply $163,000 as its share to build the long-planned $228,000 Engineering Building Addition—the start toward physically rebuilding the University.

Attempts to expand the University began in 1928, when the Board of Directors decided in favor of moving the University to Good Park on West Hill. The Alumni sponsored a campaign to raise $150,000 to build a gymnasium. A bond issue to raise $3,000,000 for a plant on the proposed site was voted down by the citizens of Akron. Consequently, the University remained with its crowded conditions down in the geographical center of the city.

In the spring of 1934, an effort was made to secure Federal money for a building on the present site. This definitely ended all plans to move the University to a new campus. University officials at first tried to obtain enough money from the Federal government to rebuild the entire University, but late in 1935, they were willing to settle for $163,000 for the one building. Everyone at the University had given up the thought of ever receiving the money for new buildings, at least for the time being. That is, everyone except President Simmons. The president was determined. He made many trips to Columbus, Chicago, and Washington, and finally as a result of his efforts, this new building was authorized.

The difference between the government grant and the cost of the building was made up from the fund the Alumni had raised to build a gym. The Alumni Association presented about $65,000 as the sponsor's gift to match the Federal grant.

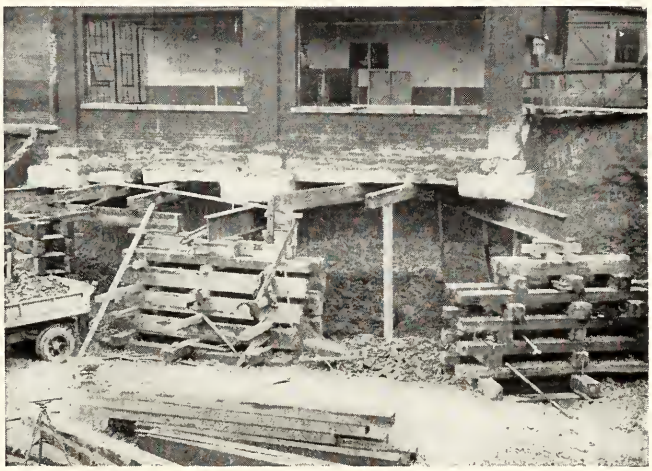
The new building is located on the campus at the corner of Carroll and Sumner streets. It is a three-story building, 140 feet by 60 feet constructed of steel and brick with sandstone trim. All but the ground floor was completed and in use as this college year closed.

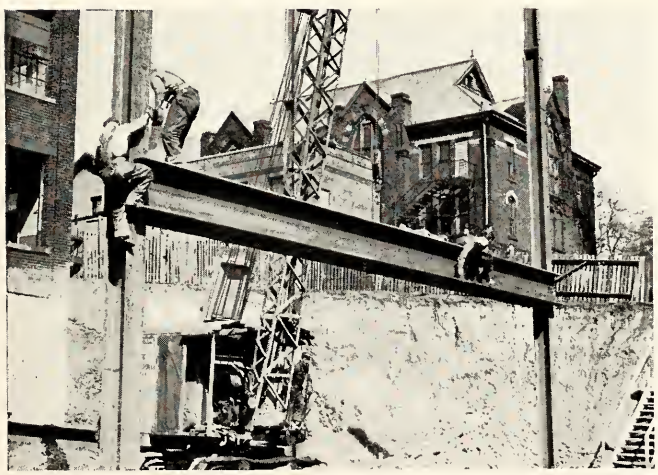
The ground floor, when finished, will contain the physics department which is now located in Olin Hall. The first floor, besides several classrooms and offices, holds a lecture hall with a seating capacity of over 300. This is used for the introductory lecture courses given in the General College. The second or top floor houses the secretarial science and commerce departments. Altogether, this structure increased the available floor space on the campus more than 50 per cent, adding 25,000 square feet to the former 48,000 square feet.

President Simmons, commenting on the development, said, "We have made the beginning for a new and greater municipal university which will be realized only when the city of Akron and some of its civic-minded people take up the cause of higher education in this 'The City of Opportunity.' The citizens of Akron should make it possible for us to develop our complete plans with the aid of their counsel and resources."

In January, 1936, the houses on the southwest corner of the campus were razed and ground was broken for the new building February 4.

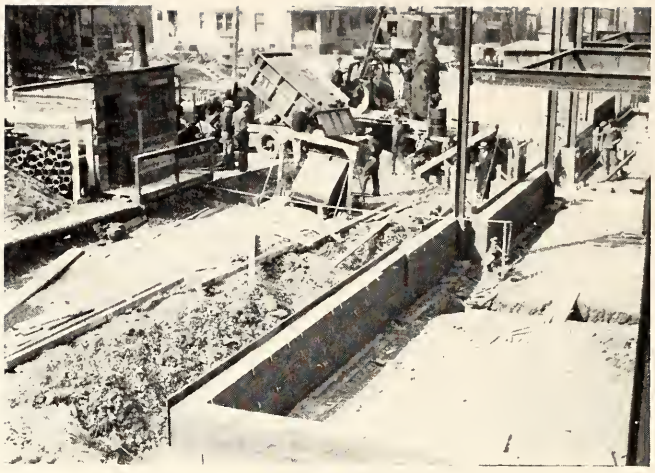
South side of the old engineering building had to be shored up and a new supporting wall built. Classwork went on uninterruptedly.

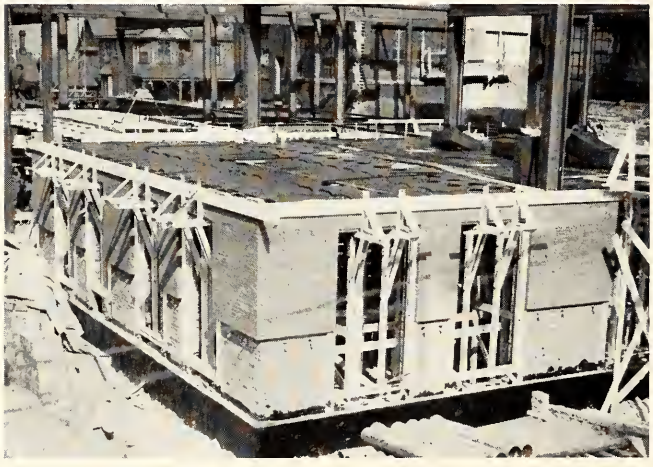




Steelworkers began work on March 25.

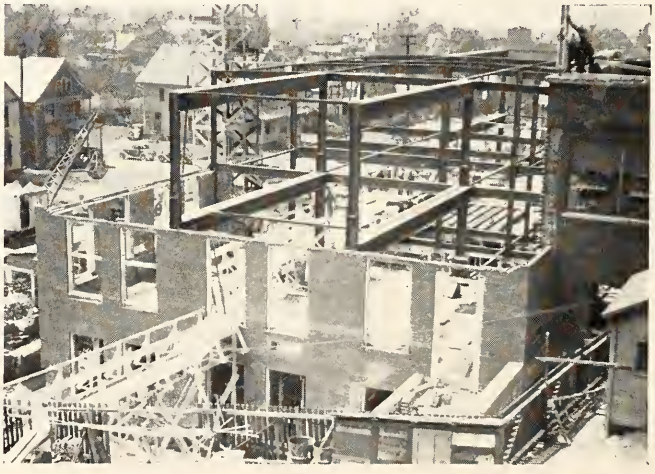
In April the walls began to rise above the ground level.

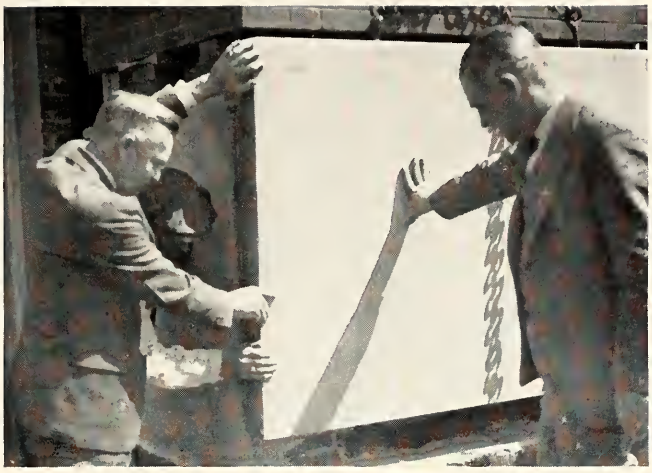




Two weeks later the ground floor walls neared completion.

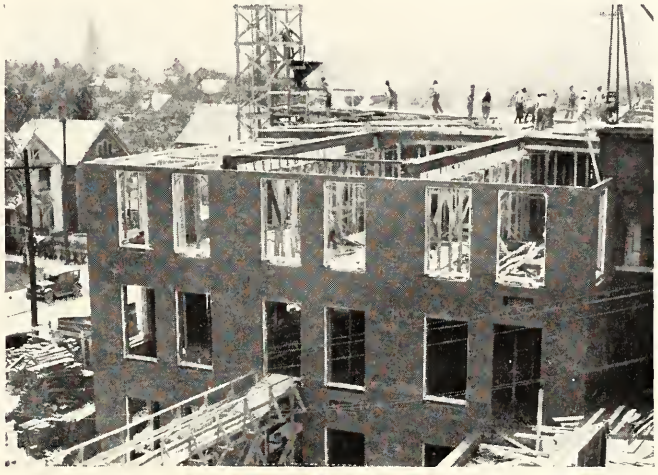
By May 10 the first floor walls were well along.





President Hezzleton E. Simmons and Mayor Lee D. Schroy officiated at the placing of the cornerstone, on the southwest corner, on May 19.

Workers reached the top by June 1.



The roof was poured and the exterior was practically complete by July 1.

THE PRESIDENT'S MESSAGE

As I sit and con at evening o'er a Tel-Buch all alone

And muse upon the faces of the friends that I have known,

I turn back the leaves of fancy, till in shadowy design

I behold the living features of some old sweethearts of mine.

(With apologies to James Whitcomb Riley)

CLASSES

THE NEW STUDENT COUNCIL

The division of the University into two units, the Upper Colleges, and General College, gave the student body an ideal opportunity to modernize its Student Council and to increase the Council's efficiency through reorganizing.

The Student Council of last year, headed by Robert Sipes '36, worked for many weeks formulating a satisfactory plan. The devised reorganization plan was approved by a student vote one year ago and went into effect at the beginning of this college year under the leadership of Paul Bagwell, president of the student body.

All class offices were abolished since there were no distinct classes, such as junior and senior, under the new University organization. The plan provided for a Student Council of 17 members which would represent all students.

The present Council is, therefore, made up of three representatives from Liberal Arts College, one from each of the three divisions —Social Science, Natural Science, and Humanities; one representative from the College of Education and one from the Engineering College; four representatives-at-large from the Upper Colleges and four from the General College; and one member from the entering freshman class. Rounding out the membership are the president of the student body, who acts as head of the Council, the president of the Women's League, and a representative of the Buchtelite.

Besides democratizing the legislative body with representative members, the Council provides for continuity from year to year by electing half of the representatives-at-large each year and having these hold office for two years.

During the first semester, President Bagwell initiated a plan to make the University mean more to the students. He proposed that all divisional representatives regularly call their divisions together to stimulate interest in extra-curricular activities and to discuss individual or group problems. Such divisions as the Teachers and Engineers, wherein the students are naturally allied were more successful in holding sectional meetings. The teachers heard speakers on educational problems while the engineers formed various athletic teams and discussed problems of the engineering curriculum.

The Council now looks forward to the day when its idea will provide athletics for more students and assure that more students partake in extra-curricular activities.

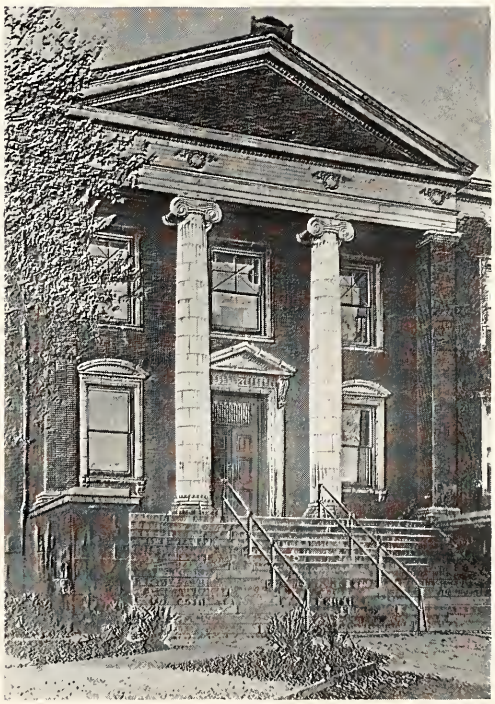
THE EVENING SESSION



DIRECTOR'S MESSAGE

Recreational and social activities are a significant part of a liberal education. Such activities, planned by and offered to all Evening Students during the current year, have contributed in a large measure to the complete development of the individual. This opportunity is one of the many services offered to Evening Students through the Division of Adult Education.

LESLIE P. HARDY,
Director of Adult Education.

THE EVENING THEATRE

The Evening Theatre produces one full evening play each semester, and holds six meetings at which one act plays and other features of interest to the group are presented. The first production was "The Late Christopher Bean" presented at the Goodyear Theatre on December 4 and 5. "Lady Windermere's Fan" was presented on April 15 and 17 at the Akron Jewish Center.

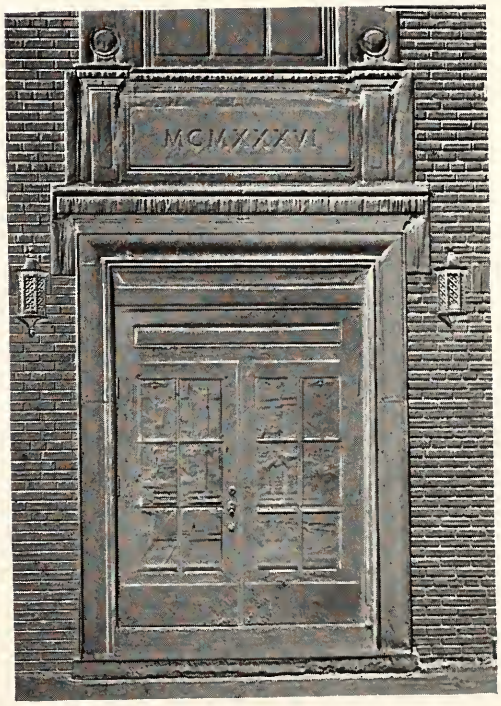
ATHLETICS



JAMES W. AIKEN
Director of Athletics

James W. Aiken was born in Ohio County, West Virginia, May 26, 1899. He attended grade school in Tiltonville, Ohio, and high school at Martins Ferry, Ohio. It was at Martins Ferry High School that "Jimmy" first showed signs of athletic prowess.

During his four years of high school, "Jimmy" Aiken played two years of basketball, four years of baseball, four years of football, and participated in track four years. In his senior year he was honored with the captaincy of both the football, and the track teams. Before being graduated in 1918, "Jimmy" was named to an honorary left end position, three years in a row, on the mythical All-Ohio Valley selections.

He entered Washington and Jefferson College in the fall of 1918, and there played four years of football and two years of baseball. In 1921 he was a member of the W. & J. team that went to the Rose Bowl.

"Jimmy" Aiken's record is an impressive one. Before coming to the University of Akron, Coach Aiken's fourteen year coach-record boasts 121 football games won, 16 games lost, and two games tied. His first year record with the Zippers was six games won, two lost, and one tied.

PAUL O. BIXLER
Assistant Football Coach
and Basketball Coach

Paul O. Bixler was born at Louisville, Ohio, January 25, 1907, and attended grade school and high school in that town. While in high school, Coach Bixler played two years of football, two years of baseball, and two years of basketball, before graduating in 1925.

In the fall of 1925 "Bix" enrolled at Mount Union College, Alliance, Ohio. While at Mount, he played three years of football and three years of basketball. In his senior year Paul Bixler was named All-Ohio fullback, and was elected captain of that year's grid team.

Upon graduation from Mount Union in the spring of 1929, Paul Bixler assumed a coaching position at Central Junior High School in Canton, Ohio. During that time he had two undefeated football teams in three years. In 1932 "Bix" became assistant coach to James W. Aiken, at Canton McKinley High School. At McKinley he served two years as varsity basketball coach, in addition to assistant football mentor.

Here at Akron, Coach Bixler, facing a tough schedule, turned in a fine record of eight wins, and five losses.

REVIEW OF 1936 FOOTBALL SEASON

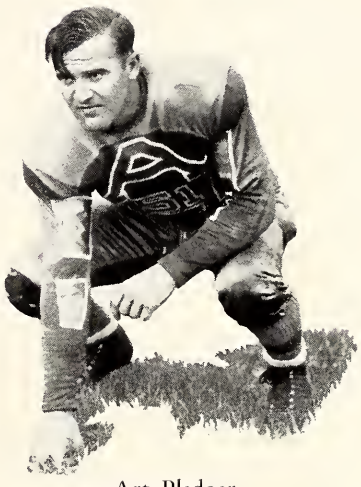
AKRON 33 . . . DETROIT TECH 0

With but two weeks of practice under their belts, the University of Akron Zippers opened their 1936 grid campaign on September 26, at Buchtel Field, in meeting Detroit Tech University, from Detroit, Michigan. Coach James W. Aiken's Akron gridiron debut was a momentous one. Old Buchtel Field was packed to capacity to greet the Hilltop's new mentor. And, in return, "Jimmy" Aiken put a football team on the field of which each and every Akronite might feel proud.

Akron had little trouble in cracking the Tech nut, and in the course of the game managed to run up 33 points against the Toilers, who came out of the fray with nothing to their credit. "Lil" Stanley Junius was the biggest thorn in the side of the Michigan team, with a total of four touchdowns after his name when the final gun was fired. Jim Mallo, left end, added the fifth marker when he caught a short pass from quarterback Bill Sturgeon on the five-yard line, and then plunged the remaining distance for the touchdown.

This was the first time the Zippers had encountered the Detroit Tech school, but the game was a bitter one from beginning to end, and the one-sided score does not in all fairness show Tech's true strength. With such short practice, the Zippers showed remarkable power in blocking and opening up holes in the opponents forward wall, and in getting the backfield men through for long gains. Al Abdulla, hard-hitting fullback from Canton McKinley High School, paved the way for most of the eel-hipped Junius's long jaunts around the ends, plus his steady gains through the middle of the line. Not since the days of "Red" Cochrane, many of the Zipper followers say, has Buchtel Field been host to such a fleetfooted runner, and deceptive halfback, as dusky Stanley Junius.

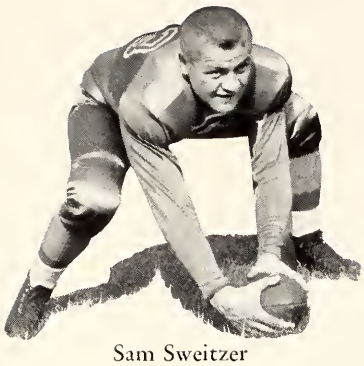
Al Abdulla



Art Pledger

Captains: Ernie Kaufman, Mike Krino, Bob Bauer.

AKRON 0 . . . WESTERN RESERVE 14



Sam Sweitzer

Stanley Junius

"Big Bill" Edwards' Western Reserve Red Cats proved more than a match for the Zippers, October 3, at Buchtel Field, and the Blue and Gold fell before the highly touted Cleveland team's attack 14-0. Throughout the duration of the game the Zippers were never outfought by the husky, veteran Red Cat team. The Zips met a better team, it was conceded by all, but no one was ashamed of Akron's appearance, for the Zipper forward wall played the great Reserve line to a standstill.

"Doc" Kelker, Reserve's famed negro end romped 50 yards after catching a long pass in the second quarter, for the first Red Cat score. Then Myslenski, Reserve guard, early in the fourth period intercepted one of Bill Sturgeon's passes and ran 32 yards for the second score. Reserve converted on both extra points, once through the line when Ray Zeh carried the ball, and on a placekick by Myslenski.

Reserve's 1936 win over the Akronites marks their eleventh victory over the Zippers in 21 games. Akron has turned the Red Cats back seven times, and two tie games make up the total.

Passes, it was shown, were the downfall of the Zips. The lanky Kelker seemed to cover Buchtel Field in seven league boots to lead the Red Cats in batting down Akron passes, while carrying the Clevelanders passes deep into Akron territory. Time and time again the plucky Akron line withstood the assaults of the battering Ray Zeh, who last year led the country in total points scored. But the battle was a losing one and the Akron backs couldn't seem to get under way. Al Abdulla and Carl Lee did most of the ball carrying for Akron, while Bob Bauer and Joe Zemla stood out in the line. Although defeated, the Zippers played a fighting brand of ball and all the fans agreed, 8,000 strong, that they had more than their money's worth in this game.

AKRON 6 . . . KENT STATE 0

Akron's first night game of the season, and third game on the schedule resulted in a 6-0 win for the Zippers over a fighting Kent State team, Friday, October 9. Akron soundly trounced the Golden Flashes, in a more decisive game than the score relates. But the Kent team was not an easy squad to take to task, for time and time again the Zips were stopped on the Flashes goal line.

Al Abdulla, Don Cook, and Mike Krino were responsible for keeping Kent on the defensive the greater part of the game. It was Abdulla who tallied the only score of the game when he slipped through Kent's left side of the line to score from his own six-yard stripe. The ankle deep mud of Buchtel Field played a part in the battle, advantageous to the Staters, for Akron's little Stanley Junius was slowed up considerably by the weather conditions. Through the services of Junius, Abdulla, Garcia, and Sturgeon, the Zippers made 14 first downs to Kent's one.

Bob Dutt

AKRON 14 . . . WOOSTER 0

Coach "Jimmy" Aiken's University of Akron Zippers brought back to Akron the Wooster Cowbell, after blasting the Scots, 14-0, in a game played at Severance Stadium, Wooster, Saturday, October, 17. This is the first time in five years that the Zips have been able to come out of a Wooster grid fracas on the favorable end of the final score.

The slightly damp ground in no way hindered Akron's field day, for Junius, the lightest of the Akron backs led the cavalcade to Wooster's goal line on both touchdown drives. The Akron line blocked with viciousness, and it was a lucky Scot who ever got to an Akron ball carrier before the runner was well across the line of scrimmage. Junius scored the Zips first touchdown early in the first quarter, when he tucked away one of Sturgeon's long passes and ran 20 yards for the tally. The second score was made by Abdulla in the third quarter, and Art Pledger calmly added the seventh point from placement, the same as he had done after the first touchdown.

Jimmy Mallo

Bill Sturgeon

AKRON 18 . . . MUSKINGUM 6

The Zippers fourth win of the season came at the expense of Muskingum, in the form of a night game, on the Muskies home field, at New Concord, Ohio, October 23. The Maurauders, to date undefeated, were no match for the determined Zips who were bound to avenge a 19-0 loss suffered from the Muskies last year.

The much publicized Muskingum passing attack was stopped cold by the Akronites and after the first five minutes of play Akron had the game well under control. A revelation to Coach Aiken in the Muskingum game was the great line play, a brilliant and much improved passing attack with a wet and slippery ball, and the running of Junius and Garcia.

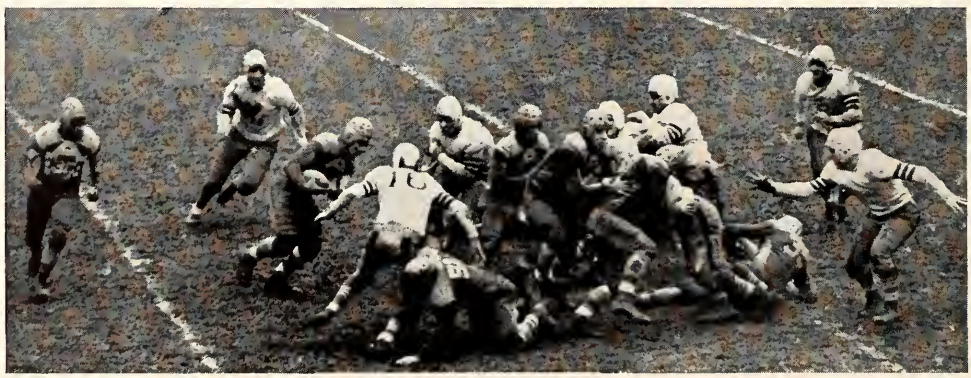
Muskingum was first to score, after five minutes of play, when Patton plunged over from the ten yard line for the Muskies only six points. But after that, the Zippers completely dominated the game, and ran up 18 points by three touchdowns in as many quarters. Abdulla, Junius, and Cook each accounted for an Akron touchdown.

Mike Krino

AKRON 33 . . . JOHN CARROLL 7

The University of Akron Zippers retained their perch atop the Ohio Conference by defeating John Carroll University Blue Streaks by a score of 33-7, in their sixth game of the season, at Buchtel Field, October 31. This was the Zips fourth straight victory in Ohio Conference competition. In all-Ohio competition, the Zips moved into second place with a record of five games won, and one game lost.

Little Stanley Junius again was the feature of the show in scoring three more touchdowns. Of the 29 passes attempted by the Blue Streaks, only one was completed over the Akron goal line for a touchdown. Andy Garcia, Zipper halfback, who formerly ran the mail for the Cleveland school, played a prominent part in the defeat of the Streaks by successive gains through his old teammates. The Zips, playing a listless first half, came back in the fourth quarter and scored 19 points, on top of the halftime score of 14-7. Junius and Abdulla clicked off the touchdowns again with three and two respectively.



AKRON 25 . . . HEIDELBERG 0

In a Homecoming Day game at Buchtel Field, November 7, Coach "Jimmy" Aiken's Zippers defeated Heidelberg 25-0, in a thriller that gave the old grads many a pleasant memory of the days gone by. Bill Sturgeon's eagle-eyed passes spelled the doom for the Student Princes when three of the Zips four touchdowns resulted from Sturgeon's heaves. Junius caught two of the scoring passes and Carl Lee the third. Art Pledger accounted for the other Akron touchdown when he fell on the ball over the Heidelberg goal line after Ernie Kaufman, Akron guard, had blocked a kick.

The Heidelberg game was marked by clean, hard blocking by the Zips and a goodly share of fancy ball carrying by both teams. Art Pledger's play on the line, and his kicking made his finest game of the year. During the intermission between the halfs, President and Mrs. Simmons were honored by the alumni, and the student body. Ralph Hatter, former Akron district high school athlete was Coach Ted Turney's biggest asset as Heidelberg's backfield sparkplug. Hatter passed and ran the ball for the Princes' principle gains.

Carl Lee

AKRON 7 . . . BALDWIN-WALLACE 46

After playing brilliant football and leading 7-6 at halftime, Akron's fighting Zippers were given their second setback of the season by the second half scoring spree of Baldwin-Wallace, at Berea, to the tune of 46-7, November 14. Akron's defense and offense completely bogged down to allow the Yellow Jackets to score 13 points in the third quarter, and 27 in the fourth quarter, following the intermission period.

Abdulla plunged through the B-W line in the middle of the second period to put Akron in the lead, and Bauer place kicked the extra point. Norm Schoen cut the lead to a single point before the quarter ended, and Akron's superiority from then on was short lived.

The Jackets opened the second half with passes, long and short, and wide and straight. In vain the Akron defense tried to cope with the famous aerial circus but the Wattsmen were determined and the grueling first half began to tell on the Akronites. Baldwin-Wallace completed 13 out of 19 passes for a gain of 192 yards, as Schoen scored four touchdowns, Noble two, and Heinmiller one. However, in total yards gained, Akron was accredited with 202 yards, and B-W with 201 yards.

Ernie Kaufman

Don Cook

Andy Garcia

AKRON 14 . . . MOUNT UNION 14

In one of the roughest games ever to be played on the sod of Buchtel Field, Coach James W. Aiken's Blue and Gold warriors finished off their 1936 season November 21, with a 14-14 tie game with Mount Union College. The Mounties were out for blood, and for the first quarter the Zips seemed prone to let the gridders from Alliance play the game about any way they cared.

Mount's first score came from a concentrated first quarter drive from the middle of the field over Akron's goal line. On a series of hard, smashing line plays the Mounties had scored before the game was ten minutes old. Akron's strong line, which had played the great B-W forward wall to a standstill the first 30 minutes of the game the week before was furnishing little competition to the unsympathetic Mount team. Mount paid little heed to the numerous warnings and penalties which the officials meted out, and Akron was literally pushed all over the field during the first half. At the end of the second quarter Mount Union held a 14-7 lead. Akron had scored before the half-time, when little Stanley romped around his own right end for 24 yards and a touchdown, and Art Pledger had converted the extra point by placement.

The Zippers came back in the third quarter and before the second half was five minutes old Akron had evened the score with another touchdown to its credit. Art Pledger's educated toe kicked the seventh point, and both teams were on an equal footing again. Carl Tsaloff, rugged end took three of Sturgeon's passes for substantial gains and wasn't held until over the Mounties goal line. Mount Union, traditionally the final opponent on the University of Akron grid schedule, hadn't scored on the Zippers since 1932 when Akron defeated Mount 20-6. Don Cook and Mike Krino both came out of the Zips final game with broken noses, and Cook with a broken wrist besides.

1936 FRESHMAN FOOTBALL SQUAD

Left to right, top row: Richard Durst, Clarence Poettor, James Misock, Michael Fernella, Marshel Meacham, William Palmer. Second row: Harry "Doc" Smith, freshman coach; George Morgan, Robert Fellmeth, John Campbell, Mike Fisher, Richard Witner, Delmar Renz, Frank Zazula, Paul Bixler, assistant coach. Front row: Joe Novak, Elmer Kirkendall, Horace Hampton, Walter Pesuit, Walter Kominic, Freddie Malagio, Dominic Patella, Frank Humphrey, Jim Elias. Dick Miller and Ray Sabin are not in the picture.

1936-37 BASKETBALL SEASON

1936-37 SQUAD

Top Row: Stevens, Swan, Semegen, Appleby, Tsaloff.

Second Row: Pamer, manager; Coach Bixler, Schepp, Berry, Doyle, Sweitzer, Fishburn, assistant manager.

Front Row: Bauer, Mott, Sturgeon, Pfeiffer, Becker.

For the first time in 10 years, a leader other than Coach Howard (Red) Blair was to pilot the University of Akron basketball attack for the 1936-37 basketball season. Youthful Paul Orlando Bixler was now serving in the capacity of head basketball coach.

When Coach Bixler issued the first call for cage practice, eight lettermen reported. Veterans were Bill Sturgeon, Carl Tsaloff, Tom Swan, Joe Zemla, Bob Mott, Bob Bauer, Dick Stevens, and Bob Schepp. Sophomores Cletus Becker, Jim Appleby, and Alex Semegen were added to the varsity roster. Earl Hensal was the only veteran not returning from the 1935-36 season.

Coach Bixler and his cage team faced a difficult and heavy schedule, opening athletic relations for the first time with Glenville Teachers of West Virginia, West Virginia University, Wayne of Detroit, Dayton, Kentucky, and Westminster. Not on the schedule were such old rivals as Mount Union, Heidelberg, Muskingum, Ashland, and John Carroll.

With but three weeks cage practice and Bill Sturgeon handicapped by an injured knee, Akron looked erratic on defense, but packed enough fight to defeat Glenville Teachers of West Virginia, 38-36. The Zippers trailed, 22-19, at the half. High scorer was Bauer with one field goal and seven fouls.

In their next game the Zippers came from behind seven times to edge out West Virginia University, 34-32. Bob Mott, junior forward, was cast in the starring role. The score was knotted, 30-30, with two minutes remaining. Taking a pass near mid-court, Mott poised and let fly a shot that drilled home. A few seconds later Mott slipped loose for a dribble-in-shot

CLETUS BECKER

that clinched matters. Mott's 11 points paced scoring.

Akron invaded Kent State and dragged their third straight victory out of the flames by mastering a scrappy Kent State quintet, 30-26. The Zippers tied the score 25-all after being behind, 15-9, at halftime. Baskets by Sturgeon and Becker and a foul by the latter gave Akron victory in the remaining time. Zemla performed a neat job in holding Kent's Roy Pinyoun to five points. Sturgeon with nine and Becker with eight tallies led Akron. Bob Flanders paced Kent with 11.

The Zips departed on a three-day road trip to play Wayne University of Detroit and Toledo University on successive days. Wayne was victim of Akron's fourth straight rally by a 34-33 score. It was a talented foe the Zippers mastered—this Wayne quintet. A capacity crowd, largest of the season to watch the Wayne cohorts, saw Akron come from behind at intermission to upset the Tartars when Tsaloff scored the winning points with a basket and foul in the closing seconds.

The next night Toledo newspapermen hailed Akron as "big time" opposition when Toledo nosed out the Zippers, 38-36, before 2,500 spectators in the Toledo Field House.

Akron played its best basketball of the entire season in losing its first game of the season to the sensational Toledo Rocket team. Charley Cupp, with the score at 36-all, put in an under-basket heave with 40 seconds left. Becker, whose play sparkled, led Akron with 11 points. Chuck Chuckovits, formerly of Akron St. Vincent's, collected 15 markers on two field goals and 11 fouls for Toledo.

The Zippers left by train for a three-day stay in Cincinnati where they were to meet Kentucky

BOB MOTT

University in a cage carnival in the Xavier University Field House. Zemla did not make the trip due to a badly infected leg. A smooth-clicking Kentucky team spilled Akron, 32-22, before a crowd of 3,500.

In a thrilling fray the Zippers played their fourth straight game away from home and lost to Baldwin-Wallace, 30-29. Perched on the long end of a 18-11 score at intermission, the Zips went goalless for 12 minutes after the second half began. "Skelly" Becker again paced scoring with 11 points.

Before 2,500 fans in a charity game, Zemla returned to action and led a 24-22 victory over a much-heralded Westminster quintet. Akron, behind at the half, assumed the lead as shot after shot went awry for the Titans in the second half.

Wayne came to Goodyear Gym in the return game and gained a 41-39 revenge triumph over

JOE ZEMLA

the Zippers. Carl Bayer, making six baskets out of his first six attempts, led the Pioneers to a 25-12 margin at half time. The Zippers fought uphill to tie the score at 39 all, with 25 seconds remaining. Jim Garretson then whipped in the winning basket for Wayne. Lanky Garretson chalked up 11 of Wayne's 16 points during the second half. Sturgeon's 14 markers and Becker's 10 led Akron.

Akron's fifth and last defeat of the season was engineered by Chuckovits and Willard Swihart of Toledo, 40-37. Akron, fighting with its customary second-half fury, almost closed the gap in the late minutes. With Zemla still injured, Chuckovits ran wild and drilled in 17 points. Swihart had 13 tallies.

The next two opponents, Dayton and Kent State, were easy for the Zips. Becker's five goals

CARL TSALOFF

in the last half smashed Dayton, 31-25. Turning back Kent State by 41-29, the Zippers won by their largest margin of the season. Sturgeon, shaking his slump decisively for the first time, amassed 17 markers. Becker was not far behind with 12.

Akron had its revenge over B.-W. by defeating the Yellow Jackets, 37-33. A smooth-attack put Akron in front, 33-21, in the second half. In five minutes of play, however, B.-W. cut the lead down to 34-22. Tsaloff's basket and Becker's charity toss ended the game. Tsaloff with 11 and Mott with 10 points featured the Zipper attack.

The final game of the season with Detroit University was cancelled when strike-torn Akron could produce no suitable gym in which to play the game. Thus, the Zippers ended their cage season with eight victories and five defeats. Four of the five setbacks came by margins of from one to three points. Akron scored 432 points to their opponent's 417. Akron averaged 33 points per game, their foes 32 per game.

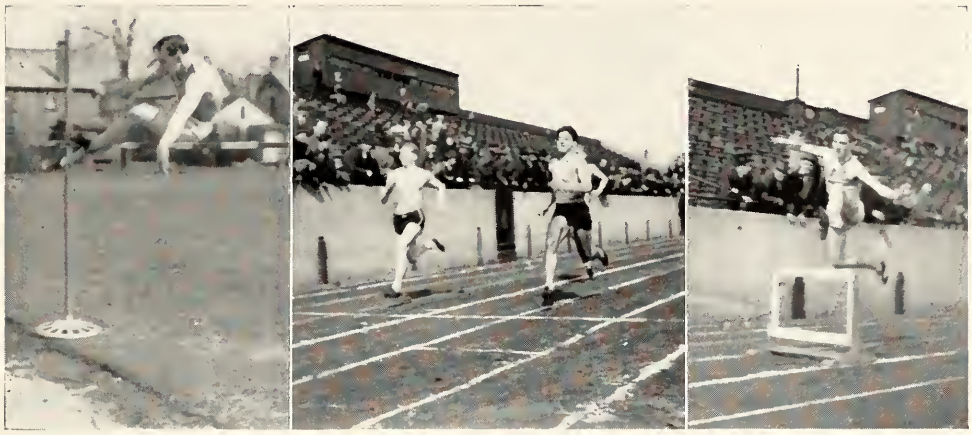
BILL STURGEON

REVIEW OF THE 1936 TRACK SEASON



Weakened by graduation losses, the Zipper track squad absorbed their first defeat in the opener at Oberlin.

Harry Schaller and Jack Jaques, weight men, shone for Akron, copping the discus and the shot put.

Hoping to redeem themselves at Wooster, the Zippers were handed their worst beating in the history of the University, losing 106-25. Again the Blue and Gold showed poor form in all events except the weight classes, Schaller and Jaques winning firsts in the discus and shot put.

Baldwin-Wallace came through with 12 first places and a tie for a thirteenth, but the Zippers managed to do a little better than they had the previous Saturday, gathering 40½ points against the Bereans 90½. For the first time Jaques failed to place in the shot put.

A trip to Alliance ended with another defeat at the hands of Mount Union, and the Zippers returned home to meet Western Reserve for their first meet at Buchtel Field.

The Red Cats swamped the Blairmen, 96 2/3-34 1 3, taking 12 out of 15 firsts. Sturgeon, Jaques and Pontius made a clean sweep in the javelin toss, Walker and Schaller getting the other two Zipper firsts.

Heidelberg handed the Zippers their sixth straight defeat on May 23 at Buchtel Field to close the season. On May 30, Akron entered five men in the Big Six meet at Muskingum, and finished ninth in a field of 13.

With Lathan Conger setting the pace, Lone Star fraternity ran away with the intramural swimming meet, scoring 40 points. The nearest competitor was 19 points behind the pace-setting Lone Stars.

VARSITY SWIMMING TEAM

Fenn College continued their mastery over Zipper swimming teams by trouncing the Hilltoppers, 46-29, in the opener at Cleveland. Akron grabbed but one first, the 100 yard free style, won by Frank Cooper.

A return meet at Akron gave Fenn another victory, 44-31, the Clevelanders fourth straight over Akron. Strengthened by the addition of Lathan Conger, the Zips copped their first victory by dumping Kent State, 41-34.

Wayne University traveled here to duck the Zippers, 43-32, and the Smithmen dropped their last meet to Kent, 41-34.

MEN'S INTRAMURAL BASKETBALL CHAMPIONS

By trouncing the Engineers in a playoff, 39-32, Phi Delta Theta gained the Men's Intramural championship. The tourney saw the Phi Delts defeat the Lone Stars in basketball for the first time since 1930.

INTRAMURAL BOWLING CHAMPIONS

The Lone Stars' third intramural title came in their smashing defeat of Beta Kappa in the intramural bowling playoff. The Beta Kappas had previously defeated the Lone Stars in the regular season. The Stars copped the first two matches, 826-777 and 853-799.

INTRAMURAL VOLLEYBALL CHAMPIONS

Undefeated throughout the entire season, Lone Stars captured the volleyball championship by upsetting the Phi Delts, 15-10, and 15-7. Out of the six members of the Lone Star squad, only two were less than six feet tall.

WOMEN'S INTER-CLASS VOLLEYBALL CHAMPIONS

The Sophomores ran away with the Women's Interclass Volleyball tourney by handily trouncing the other three classes. The Freshmen succumbed 15-4 and 15-13. The Juniors offered the most opposition, falling 15-8 and 16-14, while the Seniors were conquered, 15-5 and 13-11.

WOMEN'S INTER-CLASS BASKETBALL CHAMPIONS

Handing decisive beatings to every opponent, the Sophomore class ran away with the Women's Inter-Class Basketball championship title for the second successive year. Virginia Thompson and Esther Zwicker bore the brunt of the Sophomore attack.

WOMEN'S INTRAMURAL BASKETBALL CHAMPIONS

Sweeping a two-game series, 32-20 and 21-16, Phi Kappa Delta defeated Alpha Gamma Delta for the Women's Intramural basketball championship. Alice Niestockel smashed the Alpha Gams by scoring 37 points in the two games.

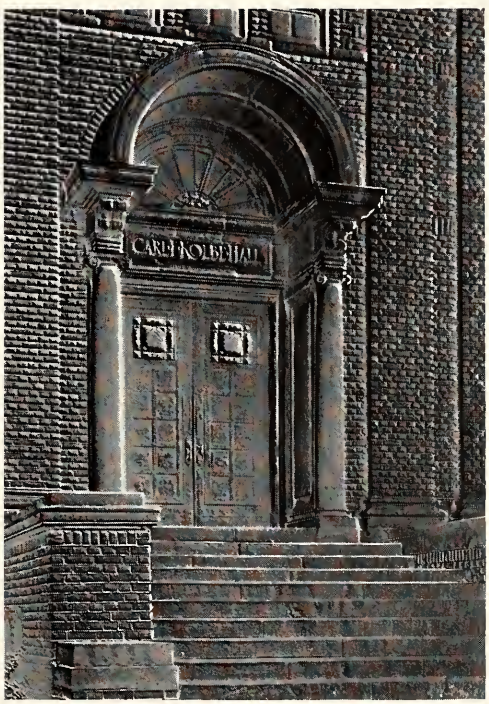
Scabbard and Blade recognizes outstanding men in the advanced Reserve Officers' Training Corps on the campus.

FEATURES



IT HAS BEEN customary for the Tel-Buch to give recognition to the most representative man and woman of the senior class. This year the committee appointed to make the selections, instead of choosing one man and one woman, has chosen four students whom they consider deserving of this recognition. The selections were made upon the basis of personality, activities, scholarship, democracy, and leadership.

The committee was composed of two members of the faculty, one representative of the Women's League Council, one representative of the Interfraternity Council, a representative of Omicron Delta Kappa and a representative of the Tel-Buch staff.
